1 Corinthians 13

Ace Troubleshooter

What if I could move mountains
And gave all I had to the poor?
Would it mean a thing?
Would it mean a thing if I don't have love?What if I used all the gifts
And gave my body to the flames?
Would it mean a thing?
Would it mean a thing if I don't have love?And when I pass through that veil
I know perfection comes
The chains will come off, the walls will fall down
The scales will drop and I'll see him face to faceLove came to Earth so we'd see
A deeper way to live and grow
Self-seeking in nothing
Show us what it means to walk in loveTo show us how to always trust
To persevere and always hope
Give thanks in everything
And show us what it means to walk in loveAnd when I pass through that veil
I know perfection comes
The chains will come off, the walls will fall down
The scales will drop and I'll see him face to face, yeahLove is patient, love is kind
It doesn't envy, doesn't bind
It means everything
It means everything when you have loveAnd love when'll you have love
Love when'll you have love
