

# Feel Flows

## Slow Magic

Unfolding enveloping missiles of soul  
Recall senses sadly  
Mirage like soft blue like lanterns below  
To light the way gladly Whether whistling heaven's clouds disappear  
Whether wind withers memory  
Whether whiteness whisks soft shadows away (White hot glistening shadowy flows)  
Feel flows, feel goes  
(Black hot glistening shadowy flows) Unbending, never ending tablets of time  
Record all the yearning  
Unfearing, all appearing message divine  
Eases the burning Whether willing witness waits at my mind  
Whether hope dampens memory  
Whether wondrous will stands tall at my side (White hot glistening shadowy flows)  
Feel flows, feel goes  
(Black hot glistening shadowy flows) Encasing, all embracing wreath of repose  
Engulfs all the senses  
Imposing, unclosing thoughts that compose  
Retire the fences Whether wholly heartened life fades away  
Whether harps heal the memory  
Whether wholly heartened life fades away  
Whether wondrous will stands tall at my side  
Whether whiteness whisks soft shadows away (White hot glistening shadowy flows)  
Feel flows, feel goes  
(Black hot glistening shadowy flows)  
(White hot glistening shadowy flows)  
Feel flows, feelings to grow  
(White hot glistening shadowy flows) White hot glistening shadowy flows  
White hot glistening shadowy flows  
White hot glistening shadowy flows
