In Case

You.May.Die.In.The.Desert

Ohhh
Pictures in my pocket
Are faded from the washer
I can barely just make out your face
Food you saved for later
In my refrigerator
Its been too long since later never came
I know
One day eventually
Yeah I know
One day I'll have to let it all go
But I keep it just in case
Yeah I keep it just in case
In case you don't find what you're looking for
In case you're missing what you had before
In case you change your mind, I'll be waiting here
In case you just want to come home
Strong enough to leave you
But weak enough to need you
Cared enough to let you walk away
I took that dirty jacket
From the trash right where you left it
Cuz I couldnt stand to see it go to waste

I know
One day eventually
Yeah I know
One day I'll have to let it all go
But I keep it just in case
Yeah I keep it just in case
In case you don't find what you're looking for
In case you're missing what you had before
In case you change your mind, I'll be waiting here
In case you just want to come home
In case you're looking in that mirror one day
And miss my arms, how they wrapped around your waste
I say that you can love me again
Even if it isn't the case
Ohw

You don't find what you're looking for
Oohh
You're missing my loooove
You dont find what you're looking for
In case you're missing what you had before
In case you change your mind, I'll be waiting
In case you just want to come home
In case
Yeahhh
Ohww ohhww
