Devil in the Subtext

Creepoid

Devil in the subtext, I hear you.
Hollow dumbbell blues, gonna stunt your growth.
Deviated septum, retinal detachment.
Pebble in your shoe, gonna cut you down.
Quarantine the edge now, think I'll spread it around.
Deviated septum, retinal detachment.
Think I wanna spread it around.
Think I'm gonna spread it around.
Feel it seeping out of the ground; it's here.
It was right here all along.
Revel in the deafening sound of fear...
Of cattle being bled...
Think I wanna spread it around.
Think I'm gonna spread it around.
