## The Cover of the Rolling Stone

## Dr. Hook

Dr. Heckyll works late at the laboratory

Where things are not as they seem

Dr. Heckyll wishes nothing more desperately

Than to fulfill his dreamsLetting loose with a scream in the dead of night

As he's breaking new ground

Trying his best to unlock all the secrets

But he's not sure what he's foundDr. Heckyll is his own little guinea pig

'Cos they all think he's mad

Sets his sights on the search of a lifetime

And he's never, never sadWhoa oh, it's off to work he goes

In the name of science and all its wonders This is the story of Dr. Heckyll and Mr. Jive

They are a person who feels good to be alive

This is the story of Dr. Heckyll and Mr. Jive

Believes the underdog will eventually surviveNot long now till the ultimate experiment

He's breaking all the rules

He wants to cure all matter of imbalance

In this world of foolsHe locks the door and looks around nervously

He knows there's no one there

He drinks it down and waits for some reaction

To all his work and careHey, hey he fumbles for what to say

He loves the world except for all the peopleThis is the story of Dr. Heckyll and Mr. Jive

They are a person who feels good to be alive

This is the story of Dr. Heckyll and Mr. Jive

Believes the underdog will eventually surviveWhoa, oh, it's out at night he goes

He sips easily into conversation

Hey hey, he's cool in every way

Sometimes he likes to sing that old black magic This is the story of Dr. Heckyll and Mr. Jive

They are a person who feels good to be alive

This is the story of Dr. Heckyll and Mr. Jive

Believes the underdog will eventually survive
