Death Metal

Mitsunori Ikeda

Music : MT Lyrics : JB
Arise from the dead and attack from the grave
The killing won't stop until first light
We'll bring you to hell because we want to enslave
Soul will be frozen with fright
We'll break through the crust, leave from our crypts
Protected by eternal life
Lay down the laws from our satanic scripts
Bringing you nothing but strife
Death metal
Ruling your cities, controlling your towns
Entrapped in your worst nightmare
Piercing your ears with the horrible sound
Casting my elusive stare
Lucifer laughs, his needs are fulfilled
The Flames are now burning hot
Bodies are burning, the people are killed
Torture the reason we fought
Death Metal
Kill Them Pigs
Solo : MT
Now we take over and rule by death metal
Enjoy our long wanted reign
Blood's what we want and we won't settle
Until we drive you insane
Attacking the young and killing the old
Bleeding with every heart beat
Darkness has feelen and your soul is sold
Claws will dig into your meat
When the sun doesn't rise and the day is like night
Know that your life is at its end
Rendered helpless so scream out fright
Death metal came in the wind
Death metal
Solo : MT
