

Aint talkin' 'bout love

Van Halen

I heard the news baby
All about your disease
Yeah, you may have all you want baby
But I got somethin' you need, oh yeah Ain't talkin' 'bout love
My love is rotten to the core
Ain't talkin' 'bout love
Just like I told you before, yeah before You know you're semi-good lookin'
And on the streets again
Oh yeah, you think you're really cookin' baby
You better find yourself a friend, my friend Ain't talkin' 'bout love
My love is rotten to the core
Ain't gonna talk about love
Just like I told you before, before
Before, before, before Ain't talkin' 'bout love
Babe, it's rotten to the core
Ain't talkin' bout love
Just like I told you before, before I been to the edge
And there I stood and looked down
You know I lost a lot of friends there baby
I got no time to mess around So if you want it, got to bleed for it baby
Yeah, got to, got to bleed, baby
You got to, got to bleed, baby
Hey, got to, got to bleed baby Ain't talkin' 'bout love
My love is rotten to the core
Ain't talkin' 'bout love
Just like I told you before, before, before Ain't talkin' 'bout love
Don't wanna talk about love
Don't need to talk about love
Ain't gonna talk about love
No more, no more Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
