

# Where Are All The Girls I Used To Cheat With?

[Keith Whitley](#)

Shirley changed her number, at least I know she moved  
Mary married some guy well to do  
My ex has someone else, I can't eve find a friend  
Where are all the girls I use to cheat with  
I've called all over town, played the joints I hung around  
Even folks quit coming in the Orchid Lounge  
My ex is out tonight, while my walls are closing in  
Where are all the girls I use to cheat with.

Susan started drinking, now she's somewhere getting well  
It's not my fault, as far as I can tell  
Pat's dropped out of site, you know she was my wife's best friend  
Where are all the girls I use to cheat with  
I've called all over town, played the joints I hung around  
Even folks quit coming in the Orchid Lounge  
My ex is out tonight, while my walls are closing in  
Where are all the girls I use to cheat with. -----  
Where are all the girls I use to cheat with
