Falling In Love Again

Bobby Womack

Lost in a full time fantasy
I used to walk around lookin' for someone
Someone, someone will love me
Oh why, I thought that dreams were out of reach for me?
And my heart had seized to beat
Then you came, you came and you touched meNow I am feelin' my heart beat again
And I feel I could win this time
Falling in love againAnd I am feelin' my heart beating so fast
And I feel it could last with you
Falling in love again
Falling in love againCaught in a mystic reality
That's the way I felt that moment I laid eyes on your soul
And in a while you became the fire
That kissed me warm from the cold
The only one I wanna holdCan't you see you make love me so much more?
And I am feelin' my heart beat again
Don't have to pretend no more
Falling in love againAnd I am feelin' my heart beat so fast
Feel it could last with you
You got me falling in love again
Falling in love againRight now, right now
I am feelin' my heart beat again
I feel I could win this time
'Cause you got me falling in love againAnd I am feelin' my heart beat so fast
I feel it heal at last with you
'Cause I am falling in love again
Falling in love again
