## Upon a Burning Body

[Intro: Ice-T]

Yo, check this out

This Ice-T

UABB, Upon A Burning Body Bitch

(That's UABBB)

Fuck that, anyway we up in this motherfucker

Security fucking with me, telling me to stop standing on the god damn couches

Now motherfucker, you could get hurt[Hook]

Turn down for what?

Turn down for what?

Turn down for what?[Ice-T]

Drunk in the club, liquor in my cup

You can see that I don't give a fuck (Turn down for what?)

Get out my face motherfucker, unless you wanna see what's up

(Turn down for what?)[Verse 1]

Bartender just hit me with a double

Drink tequila so you know we're in trouble

Showing up to every party tipsy

Living life like a stunna can you blame me?

Now that's my kind of party

So light 'em up, up, up

Cause tonight we just don't give a fuck You know we're always up to no good

This is rockstar shit motherfucker, you wish you could

You know we're always up to no good

Fire up that loud, another round of shots[Hook][Verse 2]

You can find me chilling at the bottom of a cold drink

Blasting Pantera, drinking OE

Sipping on that cold cut whiskey

You're fucking right, we're fucking crazy

Now that's my kind of party

So light 'em up cause tonight we just don't give a fuck[Ice-T]

Swear to god, this security guard looks at me one more time

I'm punching him in the face

Yo cuz, why you bumping all up into me nigga

You drunker than me, what's happenin'?

Yo bitch, you ain't [?] your bottles bitch

Are you fucking crazy?

Put the bottle down, this Upon a Burning Body

Bitch, you trying to get crunk? Turn down for what? Turn down for what?
