

Oh, Lonesome Me (Ft. Lucinda Williams)

M. Ward

Everybody's going out and having fun
I'm just a fool for staying home and having none
I can't get over how she set me free
Oh, lonesome meA bad mistake I'm making by just hanging around
I know that I should have some fun and paint the town
A love-sick fool, it's blinding, just can't see
Oh, lonesome meWell, I'll bet she's not like me, she's out and fancy free
Flirtin' with the boys with all her charms
Oh, but I still love her so and brother don't you know
Well, I'd welcome her right back here in my armsThere must be some way I can lose these lonesome blues
Forget about the past and find somebody new
I've thought of everything from A to Z
Oh, lonesome meWell, I'll bet she's not like me, she's out and fancy free
Flirtin' with the boys with all her charms
Oh, but I still love her so and brother, don't you know
Well, I'd welcome her right back here in my armsThere must be some way I can lose these lonesome blues
Forget about the past and find somebody new
I've thought of everything from A to Z
Oh, lonesome me, oh, lonesome me, oh, lonesome me
