Put Your Body in It (12" Version)

Stephanie Mills

Put your body in it
Put your body in it
Put your body in it
Put your body in itPut your body in it
Put your body in it
Put your body in itIt's a shame
You waited all night long to dance
Who's to blame
When I'm giving you another chanceThis is it
Get on up and be yourself {Free yourself}
Only you've got the key
There's no one elseDon't be afraid, no
I'm waiting just for you
And if it takes you all night long
I'll see you throughPut your body in it {Dancing}
Keep on dancing
You can do it
Non-stop now
{Move your body}Watching you
I know you can get to it
Cause when it's hot
Ooh, there's nothing to itGive it up
Dancing is the only way {Only way}
Don't let it stop
Feeling better every dayDon't be afraid, no
I'm waiting just for you
And if it takes you all night long
I'll see you throughPut your body in it
{Dancing}
(Oh){Dancing}
{Dancing}
{Dancing}
{Dancing}{Dancing}
Put your body in it
Put your body in it
{Dancing}
Put your body in it
