Spinal Column

Stereolab

I've got a spine
So I can move around
It's so supple
It gets me really highIt all stretches
Keeping the man alive
I've got a spine
So I can modulateAlso [Incomprehensible] helps me to concentrate
A spinal column, a flexible tool
It is harmless but fairly powerfulI've got a spine
So I can move around
I've got a spine
Keeping me oh so soundAah, aah, aah, aah, aah, aah
Aah, aah, aah, aah, aah, aah, aah, aah
Aah, aah, aah, aah, aah, aah
Aah, aah, aah, aah, aah, aah, aah, aahI've got a spine
So I can move around
It's so supple
It gets me really highIt all stretches
Keeping the man alive
A spinal column, a flexible tool
It is harmless but fairly powerfulAah, aah, aah, aah, aah, aah
Aah, aah, aah, aah, aah, aah, aah, aah
Aah, aah, aah, aah, aah, aah
Aah, aah, aah, aah, aah, aah, aah, aah, aah
