

# Eldorado

Jean Michel Jarre

he's a man-sized Eldorado, hooved a doo and who could blame him where we going? what's the ticket? just the  
mention of  
berlin makes me sexy and tired of thinking about drinking for thinking of drinking while thinking about  
drinking and thinking  
about drinking it's a man-sized inside

look in here it's all hardwood what's that smell? smells like coffee if you regret it please say something, i've got  
no genius for  
evil that makes me common and tired of loving, recovering, loving, recoveringlovingrecovering recovering. it's  
a man-sized  
inside

he's a man sized - eldorado, whopty-do if you can't take it where he's going? what's that ticking? just the  
mention of berlin  
makes me sexy and tired of thinkingaboutdrinkingforthinking  
ofdrinkingwhilethinkingaboutdrinkingandthinkingaboutdrinking  
tired of lovingrecoveringlovingrecoveringlovingrecoveringloving recovering it's a man-sized inside it's a man-  
sized inside
