

I'm Gonna Love You

Darondo

You're the bread in my water, baby
 Girl, I really fell for you, ahaa,
 Girl, when you put another arm around me,
That's where it's at - baby, yeah.I don't know about the good news, oh-no,
 But being with you is just fine, yeah,
 Girl, don't you think about leaving now,
Your lover behind, what a minute babe.Girl, I'm going to love you baby - ah, I ain't lying,
 In the morning,
 When the sun goes down,
 I'm going to love you baby, till the day I die!
One more thing!Sometimes I feel like talking, aha,
 Sometimes I don't feel like saying a word. ah,
 Lord KNOWS I ??? about you,
Cuz I love you so much, aha, wait a minute babe.
 Girl it's depressing me,
 Said be just be sweet and kind, oh no,
 Said don't you think about leaving,
 Your lover behind, wait a minute babe.
I'm going to!I'm going to love you baby,
 In the morning, aha woo,
 When the sun goes down,
I'm going to love you baby - till the day I die!Let me tell you this here again,
 You're my bread in my water,
 Girl I really fell for you, ah!
