

Fall

Justin Bieber

Well let me tell you a story
About a girl and a boy
He fell in love with his best friend
When she's around, he feels nothing but joy
But she was already broken, and it made her blind
But she could never believe that love would ever treat her right
But did you know that I loved you or were you not aware?
You're the smile on my face
And I ain't going nowhere
I'm here to make you happy, I'm here to see you smile
I've been wanting to tell you this for a long while
What's gonna make you fall in love
I know you got your wall wrapped all the way around your heart
Don't have to be scared at all, oh my love
But you can't fly unless you let yourself,
You can't fly unless you let yourself fall
Well I can tell you're afraid of what this might do
'Cause we got such an amazing friendship and that you don't wanna lose
Well I don't wanna lose it either
I don't think I can stand sitting around while you're hurting babe
So take my hand
Well did you know you're an angel who forgot how to fly?
Did you know that it breaks my heart every time to see you cry
'Cause I know that a piece of you's gone,
Every time he done wrong I'm the shoulder you're crying on
And I hope by the time that I'm done with this song that I figure out
What's gonna make you fall in love
I know you got your wall wrapped all the way around your heart
You don't have to be scared at all, oh my love
But you can't fly unless you let yourself,
You can't fly unless you let yourself fall
I will catch you if you fall
I will catch you if you fall
But if you spread your wings
You can fly away with me
But you can't fly unless you let your
You can't fly unless you let yourself fall
What's gonna make you fall in love
I know you got your wall wrapped all the way around your heart
You're not gon' be scared at all, oh my love
But you can't fly unless you let yourself
You can't fly unless you let yourself fall,
In love
I know you got your wall wrapped all the way around your heart

Don't have to be scared at all, oh my love
But you can't fly unless you let yourself,
You can't fly unless you let yourself fall I will catch you if you fall
I will catch you if you fall
I will catch you if you fall If you spread your wings
You can fly away with me
But you can't fly unless, unless you let yourself fall
