## Thirty Seconds to Mars

This is a call to arms, gather soldiers  
Time to go to war  
This is a battle song, brothers and sisters  
Time to go to warDid you ever believe?  
Were you ever a dreamer?  
Ever imagine heart open and free?  
Did you ever deny?  
Were you ever a traitor?  
Ever in love with your blood-lust disease?This is a call to arms, gather soldiers  
Time to go to war  
This is a battle song, brothers and sisters  
Time to go to warEver want to be free?  
Do you even remember?  
Want to beguile the devil like me?  
Ever want to just stop?  
Do you want to surrender?  
Or fight for victory?Here we are at the start, I can feel the beating of our hearts  
Here we are at the startDarkness falls, here comes the rain to wash away, the past and the names  
Darkness falls, here comes the rain to end it all, the blood and the gameFar, far away in a land that time can't  
change  
Long, long ago in a place of hearts and gold  
Far, far away in a land that time can't change  
Long, long ago in a place of hearts and goldThis is a call to arms, gather soldiers  
Time to go to war (Far, far away)  
This is a battle song, brothers and sisters  
Time to go to war (Long, long ago)  
This is a call to arms, gather soldiers  
Time to go to war (Far, far away)  
This is a battle song, brothers and sisters  
Time to go to warThis is a call to arms, way of the night  
This is a battle song, way of the nightHere we are at the start.
