Not Me

Datarock

I stand here crying out your name
I stand here crying out your name
I stand here crying, whats the difference?I stand here crying in the rain
I stand here crying in the rain
I stand here crying, whats the difference?But not me
But not me
But not me
But not meI stand here crying out your name
I stand here crying out your name
I stand here crying, whats the difference?I stand here crying in the rain
I stand here crying in the rain
I stand here crying, whats the difference?But not me
But not me
But not me
But not meWhen you held your arms around me
I felt free and said can this be
And then you left me feeling betterBut not me
But not me
But not me
But not meBut not me
But not me
But not me
But not me
