Whatever's Written In Your Heart

Gerry Rafferty

Yeah, night and day and dayWakin' up here on a rainy day
I swore last time that I would stay away
I came down here to talk to you
I said this time I might get throughI heard us speak but all the words were dead
We talked all night and left it all unsaid
So we agree to disagree, at least we got our memoryWhatever's written in your heart, that's all that matters
You'll find a way to say it all someday, yeah
Whatever's written in your heart, that's all that matters
Yeah, night and day, night and dayYou've got your secrets, yeah and I've got mine
We've played this game, now for a long long time
You don't lean on anyone, you never had no place to runYou never wanted me to get too close
We love and hate the ones we need the most
I tried to find a way to you, one thing I could say to youWhatever's written in your heart, that's all that matters
We'll find a way to say it all someday, yeah
Whatever's written in your heart, that's all that matters
Yeah, night and day, night and dayMaybe I've always set my sights too high
You take the easy way and still get by
I know there ain't no special way, we all get there anywayI heard us speak but all the words were dead
Talked all night and left it all unsaid
So we agree to disagree, at least we got our memoryWhatever's written in your heart, that's all that matters
We'll find a way to say it all someday, yeah
Whatever's written in your heart, that's all that matters
Yeah, night and day and day, yeah, night and day and dayYeah, night and day and day, yeah, night and day and day
Yeah, night and day and day, yeah, night and day and day
(Whatever's written in your heart, whatever's written in your heart)
Yeah, night and day and day, yeah
(Whatever's written in your heart, whatever's written in your heart)
