All Time Low

We always say that we'll keep in touch
Nobody does, but it don't matter much (oh, oh, oh, oh, oh)
(Oh, oh, oh, oh, oh)
One last call at the corner store
The night's on ice if we don't score (oh, oh, oh, oh, oh) One more time for second chances
We just want to do some damage So long, so nice to know ya, nice to know ya
I'm sorry to say
We can't go back to yesterday
This night is far from over, far from over
Let's get carried away
We can't go back to yesterday Call out the names that you used to know
Singing along in broken stereo (oh, oh, oh, oh, oh)
(Oh, oh, oh, oh, oh)
Crossfire that you can't ignore
I know I'm not around much anymore (oh, oh, oh, oh, oh)
Anymore (oh, oh, oh, oh, oh) One more time for second chances
We just want to do some damage So long, so nice to know ya, nice to know ya
I'm sorry to say
We can't go back to yesterday
This night is far from over, far from over
Let's get carried away
We can't go back to yesterday One last time for old time's sake
One more bend before we break One more time as if we planned it
We just want to do some damage So long, so nice to know ya, nice to know ya
I'm sorry to say (sorry to say)
We can't go back to yesterday
This night is far from over, far from over
Let's get carried away (carried away)
We can't go back to yesterday One last time for old time's sake
One more bend before we break
