

# Kiss Me Sailor

[Susan Maughan](#)

Kiss me, sailor, before you go out the door  
Well, now, bye bye sailor boy  
Cause it's Anchors aweigh once more

Well, I'm his girl back home and, on a weekend leave  
I'm the very first one that he runs to see  
We find a lot of things to do  
But pretty soon the weekends though and then it's

Kiss me, sailor, before you go out the door  
Baby, bye bye sailor boy  
Cause it's Anchors aweigh once more

There's never any place we ever wanna go  
Wed rather snuggle up and watch the late, late show  
We like to make the hours last  
But Forty-Eight hours go fast

Kiss me, sailor, before you go out the door  
Whoa whoa, bye bye sailor boy  
Cause it's Anchors aweigh once more

Well, it's a Friday night, my favorite guy is due  
I just can't wait to see him in his Na-a-a-avy blue  
As soon as he opens that door  
I'll be in his arms once more until it's

Kiss me, sailor, before you go out the door  
Whoa whoa, bye bye sailor boy  
Cause it's Anchors aweigh once more
