Set Free

Brian Dolzani

She took off her clothes and jumped into the lake
I know how she feels itâ€™s more than I can take
The color in your eyes never black or white
You can rise above and swim towards the light

Free, set free

Listen to the rain beating on your head
Listen to your heart, sleep when youâ€™re dead
Wrap me in your sheets I will give you love
I can hold my breath swimming in your blood

Free, set free

Sun will shine on me
All my love set free

Free, set free

Shine your light on me
Come and set me free

Free, set free

Take off all your clothes jump into the lake
I know how you feel itâ€™s more than we can take
Take off all your clothes jump into the lake
You donâ€™t have to feel more than you can
