

# Hard On Me

Tom Petty

It's all I can do  
To keep that little girl smiling  
And keep my faith alive  
Takes all I got to hold on to tomorrow And you want to make it hard  
You want to make it hard on me Some other time  
I'd be understanding  
You were supposed to be  
The friend that I needed when I was down and now You want to make it hard  
Yeah, you want to make it hard on me Maybe if I tried, I could turn the other cheek  
Maybe, but how big do I have to be Now you want to make it hard  
Yeah, you want to make it hard on me Maybe if I tried, I could turn the other cheek  
Maybe, but how big do I have to be I need someone  
To put their arm around me  
Shelter me from all harm  
Just as I find something to believe in You want to make it hard  
You want to make it hard on me  
Yeah, you want to make it hard  
You want to make it hard on me
