

# This Is Where I Am

## Rapture

My mistake was letting you know  
Sharing all that I had  
With someone I never knew  
In the end  
I'm hearing voices  
Of people thought long gone  
Once again I fear  
I'm losing control  
In the end  
Everything's inside  
Every disease I hide  
Bleeding and in pain  
Cold and tiredly giving in  
Come and burn with me  
Slit open my world of pain  
Sometimes at winters hour I feel quite dead  
Just like in the end
