Cover Girl

Rupaul

Stroll down the runway
Another payday
Cover of magazines
And when they see me
They want to be me
I am your fantasy
Cover girl!
Put the bass in your walk
Head to toe let your whole body talk
(Cover Girl! Put your bass in your wak
Head-to-toe let your whole body talk)
To Grumman's Chinese, Red carpet tv
Valet my limousine
Box office sweetie, An Oscar nominee
Now watch me snatch trophies
Cover girl!
Put the bass in your walk
Head to toe let your whole body talk
(Cover Girl! Put your bass in your wak
Head-to-toe let your whole body talk)
Walk...now walk...walk....now walk(and what?)
Walk...now walk...walk....now walk
Come on baby, bring it
For camera Ru, bring it
Face(face), face(face), face(face), I get face
Beauty face you can take, it's ok

Watch my body go insane
Everyone keeps looking at me
You know I am Sarah P.
If u want to come for me and feel the meat
Come right now and walk with me!
Stroll down the runway
Another payday
Cover of magazines
And when they see me
They want to be me
I am the fantasy
Cover girl!

Put the bass in your walk
Head to toe let your whole body talk
(Cover Girl! Put your bass in your wak
Head-to-toe let your whole body talk)
Pump and bump it
Pump it and bump bump it
Pump pump it and bump bump it
Pump pump it and bump bump it
Cover girl!
Put the bass in your walk
Head to toe let your whole body talk
(Cover Girl! Put your bass in your wak
Head-to-toe let your whole body talk)
Walk...now walk...walk....now walk(and what?)
Walk...now walk...walk....now walk
