

The Sha La La Song

Toby Keith

Sha la la la la la la la la la la
I'll get over you
Sha la la la la la la la la la
Just one more lonely night or two Do you remember? Well I remember
Every kiss, bittersweet and tender
Every promise, every vow
Every time you said forever baby, even now
Even though you left me, for another
I'm a big boy, I will recover and Sha la la la la la la la la la la
I'll get over you
Sha la la la la la la la la la
Just one more lonely night or two Ain't it funny, well I think it's funny
I'm gonna laugh until I don't cry honey
'Cause shedding tears just ain't my style
But I guess I oughtta miss her for a little while
A little blue-eyed blonde in a red hot sweater
Wants to spice my chilli, I think I'm gonna let her Sha la la la la la la la la la la
I'll get over you
Sha la la la la la la la la la
Just one more lonely night or two So, when you get lonely
I dare you to call me
Girl don't call me baby 'Cause sha la la la la la la la la la la la la
I'll be over you
Sha la la la la la la la la la
The sun don't rise and set in you, oh no
