

I Miss You

Aaliyah

Ooh, hey
Yeah-e-yeah, yeah
N-n-no, no, noIt's been too long and I'm lost without you
What am I gonna do, said I've been needin' you
Wantin' you, wonderin' if you're the same
And who's been with you, is your heart still mine
I wanna cry sometimes, I miss youOff to college
Yes you went away
Straight from high school
You up and left meWe were close friends, also lovers
Did everything for one another
Now you're gone and I'm lost without you here now
But I know I gotta live and make it somehowCome back to me
Can you feel me
Hear me callin'
For you 'cause it'sIt's been too long and I'm lost without you
What am I gonna do, said I've been needin' you
Wantin' you, wonderin' if you're the same
And who's been with you, is your heart still mine
I wanna cry sometimes, I miss youNow I'm sittin' here thinkin' bout you
And the days we used to share
It's drivin' me crazy, I don't know what to do
I'm just wonderin' if you still careAnd I want to let you know
That it's killin' me
I know you got another life
You gotta concentrate babyCome back to me
Can you feel me
Hear me callin' for you
'Cause it'sIt's been too long and I'm lost without you
What am I gonna do, said I've been needin' you
Wantin' you, wonderin' if you're the same
And who's been with you, is your heart still mine
I wanna cry sometimes, I miss youIt's been too long and I'm lost without you
What am I gonna do, said I've been needin' you
Wantin' you, wonderin' if you're the same
And who's been with you, is your heart still mine
I wanna cry sometimes, I miss youI, I, I, I, I
I, I, I, I, I
I miss you

I, I, I, I, I, I
I, I, I, I, I, II can't think no more since you went away
I don't really feel like talkin'
Don't want to hear them buggin' me
Tell me do you understand me
I can't do but be without you It's been too long and I'm lost without you
What am I gonna do, said I've been needin' you
Wantin' you, wonderin' if you're the same
And who's been with you, is your heart still mine
I wanna cry sometimes, I miss you It's been too long and I'm lost without you
What am I gonna do, said I've been needin' you
Wantin' you, wonderin' if you're the same
And who's been with you, is your heart still mine
I wanna cry sometimes, I miss you It's been too long and I'm lost without you
What am I gonna do, said I've been needin' you
Wantin' you, wonderin' if you're the same
And who's been with you, is your heart still mine
I wanna cry sometimes, I miss you.
