

Heaven Is Counting On You

[Ray Boltz](#)

Heaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on you We are standing at the end of time
We are part of a grand design
We are grateful to a risen Lord
For the others who have gone before I hear voices in the heavenlies
They are calling to you and me
Saying rise up, there's a world to win
I hear them saying again Heaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on you Many suffered, even gave their lives
For the message of the risen Christ
Now they're watching seated high above
Shouting to us as we run Heaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on you There is a race, there is a prize
There is a price to pay
And the saints beyond
Cheer us on today Heaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on you
