Fallin Apart

Mint Condition

[Vox 1:]I'm Missin' You, Don't Know What To Do,
My Life Is Dark, So Dark Without You,
Need Time To Heal, Is What U Say,
From The Scars, In You That I Laid
[Chorus:]Feels Like I'm Fallin' Apart
Damn You're Really Hurtin My Heart
I'm Losin All Control, When You Walk Outside The Door...
Forgive Me For The Wrongs I've Done

Now I Realize You're The One
I Need U In My Life
You Make Me Feel Alright
[Vox 2:]You Moved Away, But Left Your Clothes,
And Photographs, So At Times I'm Filled With Hope,
But You're Doin' To Me, What I Did To You
This Is Torture To Me, And I Feel Just Like A Fool...
[Chorus]
