End It Good

Drake Bell

I'm overenjoyed like Mildred Davis and Harold Lloyd
Cause baby, you've started something
And I'm gonna end it good.I'm overenjoyed like Mildred Davis and Harold Lloyd
Cause baby, you've started something
And I'm gonna end it good.Now that it's over
You're just like Howard Hughes.
Not quite as crazy
I've just got a shorter fuse
Like Burns and Gracie
You keep feeding lines.Well alright, we're out of time.
I guess I'll just say goodnight.Cause you've got something
And I'm gonna end it good.Now that's it over
You're just like Howard Hughes.
Not quite as craazy
I've just got a shorter fuse.
You're no B.B. Daniels
Give someone else a thrill.Well alright
I guess will cause you're no Cecil B. Demile.You've started something
And I
Well, we're all gonna end it good.
