Lovely Day

Gil Scott-heron

Shake it up and throw it
Roll it up and smoke it
No one knows
What it's worth?
Where it's goin'?
Tired moneymakers
Boring conversators, keep it up
We all know where you blow it
And now I live in a world that I call my own
It's always nice when no one's home
Give it a time and a place, if you don't ask, what it's for?
It's another world, but it's something more than ordinary
(Aaah)
Such a lovely day, and it's nothing more than ordinary livin'
(Aaah)
And that you're livin'
Waking up and rollin'
Loaded up and flowing, creepin' out
We all know
Where you're goin'
Tryin' to ignore it
What you're lookin' for and no one knows, what it's worth?
Where it's goin'?
And now I live in a world that I call my own
It's always nice when no one's home
Give it a time and a place, if you don't ask, what it's for?
It's another world, but it's something more than ordinary
(Aaah)
Such a lovely day, and it's nothing more than ordinary
(Aaah)
It's another world, but it's something more than ordinary livin'
(Aaah)
That I'm livin'
And I live in a world that I call my own
It's always nice when no one's home
Give it a time and a place, if you don't ask, what it's for?
It's another world, but it's something more than ordinary
(Aaah)
Such a lovely day, and it's nothing more than ordinary

(Aaah)
It's another world, but it's something more than ordinary
(Aaah)
Such a lovely day, and it's nothing more than ordinary livin'
(Aaah)
That you're livin'
