Promised Land

Reamonn

Look me in the eyes
And tell me what you see inside of me
Look me in the eyes
Tell me, can you see how much I need you?Take me by the hand
And tell me what you feel, feel for me
Take me by the hand
And tell me is it real, or is it just fantasy'Cause I see, and I believe in you and me
I hold inside the seed of our livesNow, you can decide
If what you believe is really true
I see in your eyes what you really need
You're afraid to loose, it's true
You, you'll see we can live this fantasy'Cause I see, and I believe in you and me
I hold inside the seed of our livesTake me by the hand
I'll show you my promised land
Take me by the hand
I'll show you my promised landTake me by the hand, oh baby
And I'll show you my promised land
Take me by the hand
And I'll show you my promised landTake me by the hand
I'll show you my promised land
Take me by the hand
I'll show you my promised land
