I'm a Boy, I'm a Girl

Johnny Thunders

What is my name?
I'm so lonely
I think I'm gonna go insaneI don't know
who I want to be
won't somebody introduce meIm a boy Im a girl
What am I wearing?I'm a picture, I'm a frame
where am I hanging?I don't know what you think I am
Im not no magician I tell you no I ain'tmaybe I can open your pants
but big fucking deal
I feel so electric I feel like a fucking eel (you fucking heel)I'm a boy, I'm a girl
What am I doing?Im a picture, I'm a frame
where am I hanging?too bad
too bad for you
you never gonna understand no not youmaybe its where your from
or maybe your just so dumb
well take a walk, take a walk in the sunWell I'm a boy, I'm a girl
What am I doing?I'm a picture, I'm a frame
where am I hanging?
