

I'm Gonna Change Everything

Jim Reeves

Yeah I'm gonna change everything that holds a memory of you, oh yeah
I'm gonna start with the wall stick the pictures off the wall and burn 'em
Move the chairs around take the window curtains down and burn 'em
Everything I see reminds me you were here Yeah I'm gonna change everything that holds a memory of you, oh
yeah
The candle of your set you gave me on the night of my birthday
The records that you bought the hi-fi we loved to play
The decorating man will come and rearrange them Yeah I'm gonna change everything that holds a memory of
you, oh yeah
Take the carpet off the floor throw it out the door it's filled with tears
Everything I find that bring you to my mind must disappear
Every night I dream I'll dream of someone new Yeah I'm gonna change everything that holds a memory of you
Yeah I'm gonna change everything that holds a memory of you oh yeah
Hmm oh yeah hmm
