

# Collide

## Howie Day

The dawn is breaking  
A light shining through  
You're barely waking  
And I'm tangled up in you, yeah I'm open, you're closed  
Where I follow, you'll go  
I worry I won't see your face  
Light up again Even the best fall down sometimes  
And even the wrong words seem to rhyme  
Out of the doubt that fills your mind  
I somehow find you and I collide Do do do do do x4 I'm quiet you know  
You make a first impression  
I've found I'm scared to know  
I'm always on your mind Well, even the best fall down sometimes  
Even the stars refuse to shine  
Out of the back you fall in time  
I somehow find you and I collide Don't stop here  
I lost my place  
I'm close behind Do do do do do x4 Even the best fall down sometimes  
Even the wrong words seem to rhyme  
Out of the doubt that fills your mind  
You finally find you and I collide Do do do do do x2 You finally find you and I collide Do do do do do x2 You  
finally find you and I collide
