

It's Called a Heart

Depeche Mode

There's something beating here inside my body and it's called a heart
You know how easy it is to tear it apart
If I lend it to you, would you keep it safe for me
I'll lend it to you, will you treat it tenderly
There's something beating here inside my body and it's called a heart There's a sun shining in the sky
But that's not the reason why I'm feeling warm inside
The answer isn't classified, it's my heart from the moment I started
I tried to be good about it, yes I've tried my best
And more or less, I spoke from my heart There's a lot to be learned
And you learn when your heart gets burned There's something beating here inside my body and it's called a heart
You know how easy it is to tear it apart
If I lend it to you, would you keep it safe for me
I'll lend it to you, will you treat it tenderly
There's something beating here inside my body and it's called a heart Hearts can never be owned, hearts only
come on loan
If I want it back, I will take it back, I'll take my heart
But I will try my best and more or less
I will speak from my heart, yes, I will speak from my heart
Speak from my heart There's a lot to be learned
And you learn when your heart gets burned There's a lot to be learned
And you learn when your heart gets burned There's a lot to be learned
And you learn when your heart gets burned There's something beating here inside my body and it's called a heart
You know how easy it is to tear it apart
If I lend it to you, would you keep it safe for me
I'll lend it to you, will you treat it tenderly There's something beating here inside my body and it's called a heart
You know how easy it is to tear it apart
If I lend it to you, would you keep it safe for me
I'll lend it to you, will you treat it tenderly
