

Taco Grande

Weird Al Yankovic

Taco grande, Taco grande
Yo quiero chimichangas y chile colorado
Yo tengo el dinero para un steak picado
Las flautas y tamales, siempre muy bueno
Y el chile relleno
You see, I just gotta have a tostada, carne asada
That's right, I want the whole enchilada
My only addiction has to do with a flour tortilla
I need a quesadilla
I love to stuff my face with tacos al carb
