

# Life of the Party

## Gypsy Jazz Caravan

Well I've been waiting like all week long  
And the DJs playing our favorite song  
Well It's got me singing  
Na na na na na  
Na na na na yeah  
Tell me what you're drinking,  
Gonna get you right  
(Tell me what you're drinking, girl)  
Tell me, little baby, we'll be rocking all night  
I wanna get you singing  
Na na na na na  
Na na na na yeah  
When it all comes crashing down  
Tell me who's beside?  
You get one chance, you only get one shot  
So come on pretty baby show me what you got  
Show me how you sing it,  
Na na na na na  
Na na na na yeah  
Well, the night flies by, no, the sun don't wait  
So smoke them if you got them before it gets too late  
Everybody's singing  
Na na na na na  
  
Na na na na yeah  
When it all comes crashing down  
Tell me who's beside you now?  
  
Be the life of the party  
You won't be sorry  
Tell me who are we if we ain't with our friends?  
It's the end of the world  
All you boys, all you girls  
Put your hands together, let me hear an Amen  
Na na na na na (x8)  
Be the life of the party  
You won't be sorry  
Tell me who are we if we ain't with our friends?  
It's the end of the world

All you boys, all you girls  
Put your hands together, let me hear an AMEN  
When it all comes crashing down  
(when it all comes crashing down now, when it comes down who you gonna call now?)  
Tell me who's beside you now?  
That's right  
You smell that?  
It smells like Boys Like Girls is back  
Be the life of the party(x7)
