Gotta Move On

Kaedyn Kashmir

If you think I was happy
You must have been blind
While you're having your rightous affairs
I'm just wasting my time
I was told to take care of you
Like you're some kinda child
Now I believe what they had said
Though it took me a while

Now you're like a baby on your knees,
crying "Please take me back, oh honey please"
But no matter how hard you cry
I just wanna go back to being
Me, myself, and I

I gotta be brave
I gotta be strong
When you say every little thing I do is wrong
I gotta be tough
I don't care if it's wrong
'Cause I know for once
I gotta move on
