

# Crystals

## Of Monsters and Men

Lost in skies of powdered gold  
Caught in clouds of silver ropes  
Showered by the empty hopes  
As I tumble down  
Falling fast to the ground I know I'll wither  
So peel away the bark  
Because nothing  
Grows when it is dark  
In spite of all my fears  
I can see it all so clear I see it all so clear  
Cover your crystal eyes  
And feel the tones that tremble down your spine  
Cover your crystal eyes  
And let your colours bleed and blend with mine Making waves in pitch black sand  
Feel the salt dance on my hands  
Raw and charcoal coloured thighs  
Feel so cold and my skin  
Feels so paper-thin I know I'll wither  
So peel away the bark  
Because nothing  
Grows when it is dark  
In spite of all my fears  
I can see it all so clear I see it all so clear  
Cover your crystal eyes  
And feel the tones that tremble down your spine  
Cover your crystal eyes  
And let your colours bleed and blend with mine But I'm ok  
In see-through skin  
I forgive what is within  
Because I'm in this house  
I'm in this home  
All my time Cover your crystal eyes  
And feel the tones that tremble down your spine  
Cover your crystal eyes  
And let your colours bleed and blend with mine
