

# Big Fun

## D.O.N.S.

Have some fun, have some fun  
Have some fun, have some fun  
Burn it up  
Let's burn up the night, baby, let's do it together, yeah  
Let's burn up the night, let's have big fun, burn it up  
The world is out, it's all over town  
Your work is done, time for some fun  
Let's get it on, the feeling is right  
Come on, baby, let's do it tonight, I say  
Have some fun, have some fun  
Let's have some fun, baby  
Let's have big fun tonight  
Big fun tonight, let's have big fun  
Let's burn up the night, baby, let's do it together  
We're gonna, we're gonna do it together  
Let's burn up the night, let's have big fun  
Big fun, burn it up, burn it up  
[Incomprehensible]Burn it up  
Let's burn up the night, baby, let's do it together  
We can do it together, yeah  
Let's burn up the night, let's have big fun

Big fun, burn it up, burn it up  
Burn it up, let's burn it up, fun  
Burn up the night, big fun  
Burn it up, let's burn it up, fun  
Burn up the night, big fun  
Have some fun, have some fun  
Let's burn up the night, baby, let's do it together  
We're gonna do it together  
Let's burn up the night, let's have big fun  
Big fun, burn it up, burn it up  
Let's burn up the night, baby, let's do it together

We're gonna, we're gonna do it together  
Let's burn up the night, let's have big fun  
Big fun, burn it up, burn it up  
Let's burn up the night, baby, let's do it together  
And we can do it together, baby  
Let's burn up the night, let's have big fun, big fun  
Burn it up, burn it up  
Let's burn up the night, baby, let's do it together  
Let's burn up the night, let's have big fun
