## **Cadillac**

## **Steve Earle**

Everybody's out to get me See it in their eyes Hardly see the way they look at me When I go cruisin' by Cadillac, Cadillac I'm a Coupe De Ville built for thrill CadillacI got chrome everywhere I need it Rolled and pleated front to back If you don't think I got it made You ought to see me dressed in blackCadillac, Cadillac I'm a Coupe De Ville built for thrill CadillacNow, if you've got a woman There's one thing for sure If you want to keep her You best keep her from my doorCadillac, Cadillac I'm a Coupe De Ville built for thrill CadillacCadillacOh, Cadillac
