

Mr. Levon

Shawn Colvin

Find a nail to hang your hat on
Go and get yourself a chair
If there's little hope to fathom
Mr. Levon left it there Don't imagine you can lose him
Just take the ribbons from your hair
Give your resistance to the darkness Mr Levon left it there
Mr Levon left it there There will be light, empty and flat
California under glass
Hold me tight and don't let go
You can believe your intuition Yes you have finally met your match
If everything you are is missing
Mr. Levon took it back
It could be halfway to Heaven It could be there down the Hall
It doesn't matter if you are begging
Mr Levon took it all
Mr Levon took it all There will be light, empty and flat
California under glass
Hold me tight and don't let go
There must be a place you can run to Or maybe someone you you could call
Just to tell them what it's come to Mr Levon took it all
Mr Levon took it all
Mr Levon took it all
