

Pardon Me

Weezer

I tried my best
I gave my all
Sometimes my best
Wasn't good enough for you Sometimes I let you go
Sometimes I hurt you so
I know that I can be
The meanest person in the world So I apologize to you
And to anyone else that I hurt too
I may not be a perfect soul
But I can't learn self control So pardon me, pardon me
Pardon me my friend I never thought
That anyone
Was more important
Than the plans I made But now I feel the shame
There's no one else to blame
For all the broken hearts
Scattered on the field of war So I apologize to you
And to anyone else that I hurt too
I may not be a perfect soul
But I can't learn self control So pardon me, pardon me
Pardon me my friend Sometimes I let you go
Sometimes I hurt you so
I know that I can be
The meanest person in the world So I apologize to you
And to anyone else that I hurt too
I may not be a perfect soul
But I can't learn self control And in my heart I feel its true
So I will be there with you
So pardon me, pardon me
Pardon me my friend Pardon me
My friend
Pardon me
My friend
