Dear John

Au Pairs

Dear John - cherchez la femme? Dear John - round the bend? Dear John - still looking for me? Dear John - still like what you see? Dear John - find a sex-machine It will help with your fantasy But there is only room for one and here she comes, here she comes The car - is it kingfisher blue? The house - do I welcome you? do I recline like the seats in your head? sex-tech objects locked in your head? Dear John - I'm waiting for you Restaurant - I've ordered for two Spread upon and around the tables Ex-bed, horny fables Dear John - find a sex-machine It will help you with your fantasy But there'e only room for one And here she comes, here she comes
