

# If I Could Change Your Mind (Cerrone Funk Mix)

## HAIM

No, please don't cry  
I've never done this before, drove a million miles  
Back when you were mine  
I was too young to know you were the one to find But if I was to say I regret it  
Would it mean a thing?  
'Cause every time I think (I think) think about it  
Memories take me back to all of the wildest times If I could change your mind  
I would hit the ground running  
It took time to realize  
And I never saw it coming  
Forgive my lying eyes  
Gonna give you all or nothing  
If I could change your mind  
I could make you mine, make you mine Now I won't go  
I won't run away this time  
But all I wanna know But if I was to say I'll forget it  
Would it mean a thing?  
'Cause every time I think (I think) about it  
Memories take me back to all of the wildest times If I could change your mind  
I would hit the ground running  
It took time to realize  
And I never saw it coming  
Forgive my lying eyes  
Gonna give you all or nothing  
If I could change your mind  
I could make you mine, make you mine Visions of our love pass right by me  
Your eyes are enough to remind me  
Visions of our love pass right by me  
Your eyes are enough to remind me  
Visions of our love remind me If I could change your mind  
I would hit the ground running  
It took time to realize  
And I never saw it coming  
Forgive my lying eyes  
Gonna give you all or nothing  
If I could change your mind  
I could make you mine, make you mine Visions of our love remind me  
(If could change your mind)  
Visions of our love remind me

(It took time to realize)  
Visions of our love remind me  
(Forgive my lying eyes)  
Visions of our love remind me  
(If I could change your mind, I could make you mine)
