## **Heaven and Hell**

## C.C. Catch

Heaven can be cold Baby, baby, when you lose control Everybody needs someone to love Be carefull in the nights He can't hurt you more Baby, baby, as he did before Come on, baby, keep your hands of him In the gypsy nights It will come and go Everybody knows You make your own Heaven and hell Daytime lovers love for sale You make your own Heaven and hell Letters full of tears will tell He takes your heart I know him well You've got no time to lose For heaven and hell Behind a painted smile Baby, baby, he's running wild Everybody needs some love tonight Be carefull in the nights He don't wanna lose Baby, baby, it's a simply news Come on, baby, keep your hands of him In the gypsy nights It will come and go Everybody knows
