

# The Last Day (feat. Skylar Grey)

## Moby

He was searching  
Blindly behind the days  
This life and my, no more  
Breaking in the, just to stay awake  
His heart was like a stone  
Uuuh, his heart looked like a stone And on the last day  
He walked out in the sun  
He only just discovered the sun  
On the last day  
And on the last day  
When all his work was done  
He only just discovered the sun  
On the last day All the structure  
Right here all alone  
In scraps, the dark away  
All this colour  
In his final breath  
It's at the dark and gray  
Uuuh, it's at the dark and gray And on the last day  
He walked out in the sun  
He only just discovered the sun  
On the last day  
And on the last day  
When all his work was done  
He only just discovered the sun  
On the last day
