## I Don't Want to Know

## **The Zombies**

If you can't find better things to do Than tell me stories about her that you think are true I don't wanna hear anything about her that's bad I don't wanna hear anything that makes me sadI don't want to know (I don't want to know) I don't want to know (I don't want to know)I don't want to know You'd better turn around and go I don't want to knowI don't wanna listen I'm not gonna hear you I believe what I want No matter what you doI believe what I want No matter what you do I believe what I want No matter what you doI don't care, don't want another word Of anything you say I don't wanna hear anything You just keep awayI don't want to know (I don't want to know) I don't want to know (I don't want to know)I don't want to know You'd better turn around and go
