

# What You Want

Mandy Moore

I, love to love you  
I, love to love you  
Some boys are full of noise  
But boy you've caught my ear  
Wanna see if you've got something to say No lies or alibis, the nonsense stops here  
Be my friend or you could be on your way Play it smart boy  
(Whatcha gonna do? Whatcha gonna do?)  
If you wanna reach me, touch my heart boy  
(Whatcha gonna do? Whatcha gonna do?)  
'Cause that's how to please me What you want, I can be  
I'm the girl of your fantasy  
As long as you love me  
(As long as you love me)  
What you want, I can do  
(I can do)  
All I ask of you  
(Oh oh)  
Is baby you love me Some boys want pretty toys, but I'm so much more  
Can't you see that I'm a girl you can trust?  
Get real with how you feel or I'm out that door  
Is it love or is it only a crush? Listen up boy  
(Whatcha gonna do? Whatcha gonna do?)  
And stop talking smack now, back it up boy  
(Whatcha gonna do? Whatcha gonna do?)  
Boy step off that track now What you want, I can be  
I'm the girl of your fantasy  
As long as you love me  
(As long as you love me)  
What you want, I can do  
(I can do)  
All I ask of you  
(Oh oh)  
Is baby you love me What you want, I can be  
I'm the girl of your fantasy  
As long as you love me  
(As long as you love me)  
What you want, I can do  
(I can do)  
All I ask of you

(Oh oh)  
Is baby you love meI, love to love you  
Oh, love is this love?  
Does it fall from heaven above?  
Do you feel it boy?  
Can you feel me boy?I know it's not right, I know it's not wrong  
But right here right now is where I belongWhat you want, I can be  
I'm the girl of your fantasy  
As long as you love me  
(As long as you love me)  
What you want, I can do  
(I can do)  
All I ask of you  
(Oh oh)  
Is baby you love meWhat you want, I can be  
I'm the girl of your fantasy  
As long as you love me  
(As long as you love me)
